

Graduating Seniors,

We are excited to introduce you to the 2010 St. Gabriel Men's Club Scholarship Award. This is an annual scholarship given to a college-bound senior who has shown significant participation and growth in the mission of the church and youth ministry. It is about the development of becoming a servant disciple of Christ. The money will hopefully alleviate some financial burden so that you have a better opportunity to continue your disciple growth in college.

The youth ministry's vision, "Get it, Live it, Pass it", describes the circular progression of discipleship. This scholarship is awarded to a teen that has shown significant advancement in this mission. Qualification areas include growth in six components of discipleship: Community Participation, Getting an Understanding of Faith, Worship Participation, Growing Deeper in Faith, Serving Others, and Ministry Leadership. The components of Serving Others and Ministry leadership are key progression components; however, a disciple of Jesus cannot serve with out Worship or drawing strength from Community Participation or Growing in Faith. Therefore, you must also show growth in all areas.
